STAFF SELFIE AMY COHN INTERVENTION SPECIALIST

Hello. My name is Amy Cohn. I am originally from Toledo, OH. Prior to coming to Park Elementary, I worked as an athletic trainer in Pinckney and Brighton, MI and at Menorah Park in Beachwood. I then served as an intervention specialist in the Cardinal School District. I have been here at Park for the past 5 years, teaching grades 3-5. I have a Masters Degree in Special Education with a reading endorsement.

I live in Chardon with my husband, Abe, who works at Philips Healthcare. Our oldest daughter, Melanie, is a senior at Heidelberg University where she studies environmental science and chemistry. Our youngest daughter, Kelsey, is a senior at Chardon High School. Both of our ladies are currently deciding where to continue their education in the fall.

In my spare time, I am the Girls' Lacrosse Coach at the High School, I enjoy hiking and traveling to visit with family in Toledo, Michigan, and North Carolina. My co-pilot, Snickers, enjoys taking these trips too. I also love trying new recipes if someone is around to eat them with me. My dream vacations involve a sailboat, a beach, and water with plenty of diving and snorkeling.

My goal for this year is to help my students become confident readers who are willing to take on academic challenges with a smile.
