Terrific Kids for the Month of March

The Terrific Kids program is a joint partnership with the Chardon Kiwanis Club and the Hambden PTO in recognizing students with specific traits that are spotlighted each month. At Hambden our Terrific Kids selection process begins with our shared vision of habits. The Hambden 5 C's (Creativity, Collaboration, Critical Thinking, Communication, and Character) each month Hambden salutes students who stand out in one of these traits. Our focus this month is COLLABORATION.

Third Grade - Maggie Beorn, Lou Moon-Geosano, Riley McKenna, Ben Shamakian

Fourth Grade - John Allin, Addison Jernejcic, Conner Foley, Johnathan Clark

Fifth Grade - Kylie Murphy, Dylan Kick, Lia Scarfo, Gabby Walland

UNEXPECTED FRIENDSHIPS ARE THE BEST ONES

...is our theme for this year. Each day our teachers recognize certain students for displaying this trait. At the beginning of the day, Mr. Prezioso randomly draws one name. This student gets to choose a prize from our "treasure box". Our students drawn were:

Able Sopko - worked hard
Lou Moon Geosono - did the right thing
Addison Burnett - helpful
Tessa Benton - helped someone

One School, One Book

E.B.White suffered from Alzheimer's Disease toward the end of his life. His son Joel would read some of White's own works to him. Sometimes he liked the work, and sometimes he didn't, but sadly, he never remembered he was the author! We are fortunate that we get to remember this great classic and all the fun we've had this past month! We've eaten animal crackers, malted eggs, and popcorn; seen FANTASTIC Spider Web Art; Fair Posters; some marvelous videos; and TERRIFIC Rat Traps! We answered Trivia questions and even guessed who was reading that night's Podcast! We dressed as characters from the story and started this whole magnificent adventure with a real live pig at a Monday Convocation! So here are all the talented winners from this year's One School One Book, Charlotte's Web!
