ONLINE EMERGENCY FORMS ARE DUE BY SEPTEMBER 1
SUPER THANKS TO THOSE WHO HAVE TURNED THEIR FORMS IN ALREADY!
THE FIRST CLASS WITH ALL OF THEIR EMERGENCY FORMS FILLED OUT WILL WIN A SUPER HERO CUPCAKE PARTY!

For up-to-date information on the PTO and all PTO sponsored activities, please follow us @MunsonPTO

or visit https://sites.google.com/site/munsonpto/home
Welcome to the 2017-18 school year. It was wonderful to see so many of you at our First Day of School Celebration. It is one of my favorite days, filled with such enthusiasm and excitement about the year ahead. Students and teachers alike are getting back into the school routine for what is sure to be a SUPER year!

In order for you to learn a little bit more about what your child will be doing this school year, we will have parent orientation evening on Thursday September 7 at 6:30pm for grades K-2, and at 7:30pm for grades 3-5 in your child’s classroom. This evening is for parents only; no students should be in attendance. The Munson PTO and other community groups will be on hand in the APR as well. As the year begins, I encourage you to get involved with the school in whatever way you can and to take an active role in your child’s education. I look forward to working with you this year.

School Fees
Please have all school fees paid by September 16
Checks can be made out to Chardon Board of Education

Fees
K: $31.98
1st: $29.35
2nd: $51.15
3rd: $51.21
4th: $50.31
5th: $65.92
Free and Reduced Lunch Applications

30-Day Carryover from Prior-Year

Students who were on free and reduced meal status at the end of the previous school year will “carry-over” for the New School Year (2017-18), this carry-over period ends September 17, 2017, unless a meal application is approved. As per USDA regulations, if your child qualifies for lesser level meal benefits (from free status to reduced-price status or reduced-price/free status to paid status); these changes will take effect 10 days from the date of application approval. If your child qualifies for higher level meal benefits (from paid/reduced-price status to free status or paid status to reduced-price status), these changes will take effect immediately upon application approval.

This allows for student’s nutritional needs while parents are in the process of reapplying.

What happens if I do not return the application?

Your household will be required to pay the full price for any meal your child purchases at school or you can provide a lunch from home.

If you have any questions or need assistance in completing the application, please contact the Nutrition Services Office at 440-286-0425.

Why do I have to reapply each year?

Federal regulation requires that we have a new application on file each school year.

LUNCH FOR THE WEEK OF:

MONDAY: Popcorn Chicken and Cheddar Soft Pretzels
TUESDAY: Taco Tuesday!!
WEDNESDAY: Mini Corndogs
THURSDAY: Mini Maple Pancakes
FRIDAY: Big Daddy’s Pizza

Hot lunch $2.75
A la carte items and beverages are available from $.25-$1.00

Make checks payable to Chardon Local Schools.
A Note From The Nurse, Mrs. Hollinger:

Medication: If your student requires medication at school, prescription and/or over the counter, a medication form must be completed by the student’s parent/guardian and physician before any medication can be administered at school. School Board policy also requires that an adult bring the medication to school in its original container. A state law allows students who need inhalers or Epipens to carry those medicines with them at school. However, a “back up” inhaler or Epipen must be supplied to the clinic in self-carry situations. All medication forms may be obtained in the school office/clinic or on the Chardon Local Schools website www.chardon.k12.oh.us (on the left side of the page under ‘Downloads and Links’ then under Health Service forms).

Illness Guidelines: Please help prevent the spread of germs at Munson by following these recommendations:

1. If a student has a temperature of 100.0 F or higher and/or is experiencing influenza-like symptoms, he/she should stay home until symptom/fever free for 24 hours. Please do not give your child medication for a fever and send him/her to school. Most often the fever returns around lunchtime and they will be sent home if their temperature is 100.0 F or higher.

2. Promote good hygiene at home. Encourage good “respiratory etiquette” by having your child cough and sneeze into his/her elbow, not into the hand. Teach your child not to touch their eyes, nose or mouth, since this is the most probable way that germs enter the body. Frequent hand washing with soap and water helps in decreasing the chance of becoming ill.

3. Have a back up plan in place for child care in the event your child must be sent home. We do not have the space to hold more than one child in the clinic.

4. Please have your children wash their hands as soon as they get home from school. Remember, there are over 300 students at Munson and frequent hand washing is the most effective way to prevent spreading of disease.

*Please note: If your child comes down with a contagious disease such as strep throat, chicken pox, or pink eye, flu, notify the school of the specific disease he/she is diagnosed with.

PLEASE RETURN THIS FORM IF YOU HAVE NO ACCESS TO THE INTERNET AND WILL NEED A PAPER COPY SENT HOME WEEKLY WITH YOUR CHILD

THE MUNSON MESSENGER WILL BE SENT VIA EMAIL ONLY STARTING 9/7
