

**CHARDON LOCAL SCHOOLS  
2014 -2015 Transportation Routes  
CHARDON HIGH SCHOOL & MIDDLE SCHOOL**

*The 2014 -2015 school year will begin soon and the following information will be necessary to insure a smooth beginning. Please be advised that all routes should be read carefully (some routes and bus numbers have changed). Roads are traveled in the order they are listed. In some cases morning and afternoon routes may NOT be identical. The Chardon Board of Education requires that all students be at their bus stop at least FIVE (5) MINUTES before their scheduled pick-up time. We would appreciate addresses being clearly MARKED and VISIBLE on both sides of all mailboxes. Please note: The Transportation Guidelines Booklet is available on-line at the Chardon Schools Website [www.chardonschools.org](http://www.chardonschools.org) If you have any questions, please call the Transportation Office at 440-285-4069. **PLEASE NOTE that the times listed are APPROXIMATE and not exact and are provided as a guideline to what time your student will be picked up. Please be patient the first couple weeks of school as we finalize route times, often students need to be added/removed and this will change pick up times. As always we will continue to strive to transport your students in the safest and most efficient manner possible.***
