News from the Cafeteria

Low balance? No money on the account? - We are now trying something new. When a student has a low balance our cashier Mrs. Speck will put a **stamp (hypo-allergenic)** on the child's hand to remind them and you that it's time to send in a check/cash.

Another option to pay is to go myschoolaccount, this website is helpful to those who wish to pay on-line and most important to see how your child is spending their lunch money. My favorite is the email reminders of low balances.

Maple Festival - Weekend

I'm looking for pictures of the your favorite Maple Festival activity. Send me a picture of your child enjoying a maple stir, or maybe on their favorite ride. I would love to share them in the next Maple Happenings.

What did you do over Spring Break?

Also, no flip-flops or shower shoes are permitted, all footwear must possess a sturdy strap on the back.

UPCOMING DISTRICT TESTING

As families set up doctors appointments or other items that would necessitate a child missing school, it is important to avoid the dates of the state mandated tests. To help you in planning, here are the test dates that will be coming up in 2015:

PAARC Testing Dates:

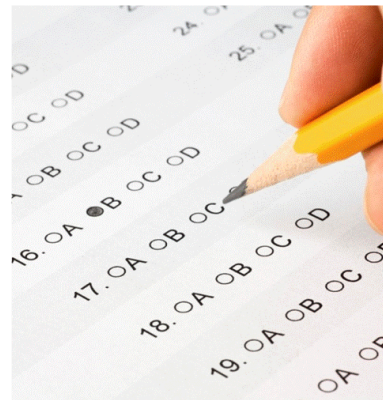

May 5 - Grade 5 (Science)

May 6 - Grade 4 (Social Studies)

May 12 - Grade 3,4 & 5 (Math)

KICK-IT FOR CANCER FUNDRAISER

Maple Student Council is proud to be a part of the Kick-It For Cancer Fundraiser sponsored by Chardon High School. All funds will go towards pediatric cancer research.

There are two ways you can help this wonderful cause!

Coins for Cancer

Student Council members will be placing containers in each classroom in order to collect coins for the fundraiser. To make it a little more interesting, the members decided to make it a challenge which will be:

STUDENTS vs. STAFF

If the students raise the most money they will win an ice cream treat!

If the staff raises the most money they will win a sweet treat that will be served to them during their lunch time by the student council members.

So, dig in your pockets and find some coins to help reach our goal of \$300.00

CHS students from Mr. Mizen's class stopped over to introduce Kick it for Cancer Fundraiser by playing a little kick ball at recess.
