

March 19, 2020

Dear Chardon Schools Parents and Guardians,

Chardon Food Service has been diligently working on a plan to help feed Chardon students (18 years & younger) in need during this period of the State-mandated closure of school buildings. We are grateful to have partnered with area churches and programs to provide this service for our community of Hilltoppers.

As noted in the [Location survey](#) that went out earlier this week, the three pickup points (SEE ADDRESSES BELOW) will be distributing LUNCH beginning on MONDAY MARCH 23, 2020. If you have not yet filled out the location assessment survey and would like to participate in the LUNCH program, please complete this brief assessment at your earliest convenience. This greatly helps us efficiently plan quantities of meals per distribution site.
