The mission of Chardon Local Schools is high achievement for all students where learning is our most important work.

Current grades are always available through the IC Parent Portal

March 26th - April 2nd

SCHOOL RESUMES, Tuesday, April 3rd

E. B. White's three children's books, Stuart Little(1945), Charlotte's Web(1952), and Trumpet of the Swan(1970) have all become classics. He won several important honors and awards, but he was a very private man, so there isn't too much information out about him. It is known he suffered from anxiety. He was uncomfortable and didn't like going out a lot. He skipped parties, weddings, his own Presidential Medal of Freedom award ceremony, and even his wife's funeral!

Have you seen the marvelous Spider Web Art in the upstairs hall? Brilliant!! And the posters for the fair? Glorious!! Sadly, only a couple of videos have been sent in to Mr. Aurand. There are so many of you who can make a fun video. Be creative making your "News Report" about that fabulous pig, and send them to chris.aurand@chardonschools.org by this Friday. Also, remember to bring in your Rat Trap next Thursday, March 22 by 6:30 for Family Night. If they really work... how fantastic! And if they don't... how funny that will be!

CHARLOTTE'S WEB

UNEXPECTED FRIENDSHIPS ARE THE BEST ONES

...is our theme for this year. Each day our teachers recognize certain students for displaying this trait. At the beginning of the day, Mr. Prezioso randomly draws one name. This student gets to choose a prize from our "treasure box". Our students drawn were:

Derrick Marshall - helped someone

John Timko - did the right thing

Drew Wolenski - support/caring

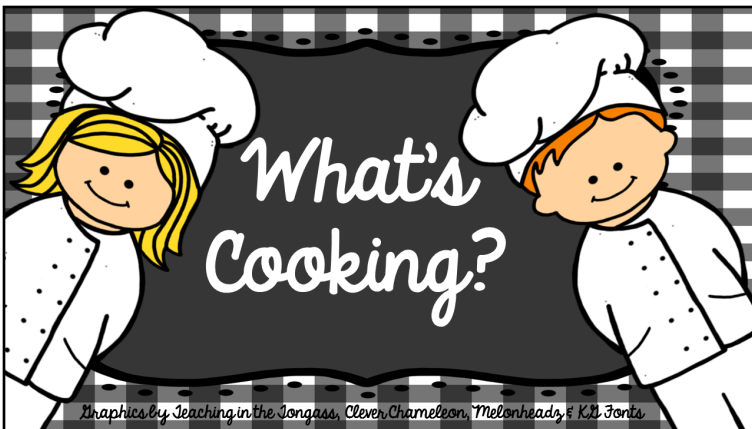

Brady Bunker - worked hard

Notice from our School Nurse

Shanna Flick, RN

Strep throat has been reported throughout the school. Most common symptoms are fever, red throat (with or without pus spots), and tender and swollen neck glands. *Scarlet Fever* includes all of the aforementioned symptoms plus rash on skin and inside of mouth and a "strawberry tongue." Symptoms may vary. Some children may generally not feel well, have no fever or a low grade fever, loss of appetite, headache, and stomachache. Diagnosis is made by a throat culture. Students may return to school after 24 hours of antibiotic is completed. Some students may not feel well enough after 24 hours of treatment to return to school. Early diagnosis and treatment are essential in preventing serious complications of untreated strep such as rheumatic fever or kidney disease. Because strep throat is spread like a cold encourage your child to use good hygiene practices such as proper use and disposal of tissues, frequent hand washing (including under fingernails), and keeping fingers and hands away from the face. These good practices will help decrease the likelihood of getting so many colds or strep throat.

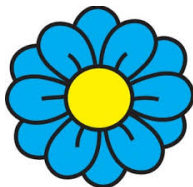

\$2.75 lunch price

WEEK OF MARCH 19th-23rd

BREAKFAST & LUNCH
