SCHOOL RESUMES, Tuesday, April 3rd

In 1973, Hanna-Barbera made the animated musical version of Charlotte's Web, but they really wanted to change the ending. They didn't want Charlotte to die. E.B.White and his wife fought back and got them to make it the way he had written it. Death is a part of life, and the book gives us hope with the continuation of life. In the end, the movie studio didn't change the ending. But the Whites hated the movie anyway and were sorry they let them make it!

Hambden students, you set an all time record! There were 102 entries for all the contests! That's more than 1/3rd of our students participating! Third Grade had the most entries with 41. Both Fifth Grades combined had 15 entries, and the Fourths and Seconds combined had 11. What a TERRIFIC accomplishment! (Mrs. Porter was SO happy not to have to be the judge, because they were all REALLY fabulous!) Great job, Hambden Students!! You can find all the winners published right here next week!

UNEXPECTED FRIENDSHIPS ARE THE BEST ONES

...is our theme for this year. Each day our teachers recognize certain students for displaying this trait. At the beginning of the day, Mr. Prezioso randomly draws one name. This student gets to choose a prize from our "treasure box". Our students drawn were:

Trinity Vance - helping out a friend
Maggie Beorn - did the right thing
Skyler Moore - did the right thing
Trent Moore - did the right thing

This year Hambden will host a different speaker every Monday morning. If you have a suggestion of a community leader to speak to our students, please contact me.
