Monday Convocation

This year Hambden will host a different speaker every Monday morning. Our "Monday Convocation" will give our students the opportunity to hear from successful and innovative people from all around the community. This week we heard from Dr. Hanlon and how we are going to continue to use our Hambden 5-C's (Creativity, Critical thinking, Communication, Collaboration and Character) this year. If you have a suggestion of a community leader to speak, please contact me at the office.
